General News

Thank you to both the President and Treasurer

A big thanks goes out to Roger and Tom, for their services as President and Treasurer. The two of you have put in endless hours of dedicated service, and everyone at the club appreciates this.

The Passing of Maggie

Hi Doug,

Some of your current members may remember Maggie who was one of the few female members of the BARG back in the mid to late 80s.

Maggie was famous for her contacts with the Mir space station and the world's first computer to computer communication (Packet Radio) between an amateur on earth and a cosmonaut on Mir. She won the WIA's Ron Wilkinson Award for her efforts and I believe is still the only female operator to win that award.

Maggie passed away on Monday 21 July. Her obituary should appear in the newsletter of the EMDRC and WIA. I thought some of your members would like to know.

73,

Lou
